Dear Applicant

I am delighted that you have expressed an interest in the role of Headteacher at our school. Northfield Manor Primary Academy is popular in the local community where staff and children make most of every opportunity in ensuring learning is fun and engaging.

Currently there are 402 pupils on roll, a team of 22 teachers, complemented by a team of 44 support and administrative staff. The Governing Body is looking to appoint a focused Headteacher who can lead and inspire not only the pupils and staff but create a culture of responsibility from all our community, recognising the role we all play in each and every child's education.

The last Ofsted Report in January 2013 indicated that Northfield Manor was rated as 'Good'. The report stated that:

'Teaching is mainly good. Disabled pupils and those who have special educational needs make good progress because their individual needs are well met. Teaching across the school is sometimes outstanding.'

The Governing Body welcomes applications from candidates who have the inspirational vision, enthusiasm, dedication and passion for education that can secure a good inspection outcome and continue our progress through to outstanding. Every child at Northfield Manor has a talent. The staff and Governors want to build on this through consistent improvements in teaching and learning, enabling each and every child to reach and exceed their potential.

A well-managed budget and developing levels of staff competence will enable the new Headteacher to start from a good position as they move the school into its next phase.

Candidates invited to interview will be those that have been able to share with us how they would further improve on what the school has achieved to date, and how their own experience has driven up standards and inspired children, staff, parents and the community to engage in the education process. You must be able to articulate and demonstrate your achievements and ideas for an inclusive learning environment.

Most of all we want you to be excited about our school and demonstrate this enthusiasm during the selection process. Please consider the person specification when completing your supporting statement.

We are proud of our children and school and its positive atmosphere. We highly recommend visits to our school where you can meet the staff and children. Simply contact the school directly to arrange this by appointment, details are included in your pack.
