A unique opportunity exists to join Victoria Academies Trust and Victoria Park as Head of IT and Academy Network Manager. Victoria Academies Trust is a well-established, high-performing MAT that operates (and sponsors) eight academies across the region, including Birmingham, Sandwell, Staffordshire, Walsall and Worcestershire LA with our first free school due to open in September 2019.

Our ICT network is vital for the education of our students and the smooth running of our academies. The Head of IT will manage and develop ICT provision across the Trust as well as managing Victoria Park's infrastructure.

As a values-led trust that invests heavily in its staff, we offer you:

- Access to training and development opportunities including apprentice courses
- Opportunities to work and support multiple academies across the trust with a view to developing your career as the trust grows
- Well-resourced academies that are committed to real, immersive and purposeful learning

In return, all that we ask is that you are:

- Committed to our five core values and vision and want to become the best you can be;
- An excellent and forward thinking IT professional
- Compassionate, caring and kind.

If you feel that you would like to be a part of the family, then we would love to hear from you. You can find out more about what we do via our twitter feed @VicAcademies or www.victoriaacademiestrust.org , where you can also download the application form.

Victoria Academies Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment.

Applications will be considered as they are received, and we reserve the right to interview and appoint prior to the closing date.

Closing Date: 12pm 24 May 2019
