Thank you for your interest in joining the board of Trustees at Victoria Academies Trust.

We are delighted that you are interested in joining us. Victoria Academies Trust is a primary only trust based in the West Midlands consisting of a mix of sponsor, converter and free schools. We currently have ten schools open; nine mainstream and one special school.

Victoria Academies Trust was set up in 2014 up with the sole aim 'to make our people the best they can be'. We are passionate about making a difference to the lives of our pupils, families and colleagues. We want to inspire our young people to achieve more than they imagine possible, and having the right people in every role across our schools is an important part of making our vision become reality.

Our strong board of Trustees work closely with the trust executive team to focus on our goals of investing in our school communities, growing and valuing our colleagues and preparing our children for the future. This ensures that our schools are on a continual journey to the be best they can be. We currently educate over 3200 pupils across the primary age range, and employ over 500 colleagues across our schools and in our Trust Central Team.

We may be ten schools, but our vision and values run through our Trust and we truly as a family, united in our ambition for our people 'To Be The Best They Can Be'.

The opportunity:

We are looking to recruit a Trustee with an education background, who has a strong focus on promoting diversity, and is representatives of the diverse communities which we serve.

About Us

Our

Mission

Our mission is our reason for being - it is simply: to make our people the best they can be.

Our people are our colleagues, our pupils, our governors and our school communities - we work with and empower our people to be the best they can be.

Our

Vision

Our vision is the picture we paint, the future we want to create, based on our mission.

We are a family of schools, united in our passion for inspiring pupils to achieve more than they imagine possible.

We have a positive influence on children's lives in areas where we can make the most difference.

We are ambitious for our children. Our high expectations of them, the memorable experiences and opportunities they have in our schools, along with the kindness and compassion which is at the centre of our Trust means that they will be successful in whatever they choose for their future.

We are at the heart of our communities; a place where local people can turn to for help, support and guidance, working with us for the greater good of our shared community.

We are aspirational for our people, who are given opportunities to grow, develop and become experts in their chosen fields.

Our people feel valued and supported; they show ambition, courage and resilience, but most of all are kind and respectful.

Our Values

Our Values are important to us and guide our behaviours, our relationships and the way we work together. They define how we want to be.

These values of **Unity, Integrity, Courage, Curiosity and Excellence**, along with our commitment to strong ethical leadership ensure that we build a positive and powerful legacy to be proud of.

Unity

We know that by working together, we are stronger than working alone. We work together as a family, united in our shared responsibility to achieve our mission.

Integrity

We show integrity by being honest, truthful, and transparent; always doing what we believe is right and true. We show kindness and respect by treating others with dignity, empathy, and understanding.

Courage

We show courage by being ambitious, challenging ourselves and others to achieve more. We take on challenges with enthusiasm, determination, and resilience, learning from failures.

Curiosity

We show curiosity by having a passion to learn, explore, and discover new things and new ways of working. We are innovative and ambitious, always seeking to be even better.

Excellence

We have a strong commitment to continuous improvement, a willingness to learn and a dedication to becoming the best we can be.
